Prisons in Mysore, requesting sanction to ~~the~~^{an} increase in the Warden Establishment of the Kolar Gold Fields Lock up and to the construction of quarters for the Establishment.

While sanctioning the additional accommodation to the Kolar Gold Fields Lock up, the Govt. reserved the question of ^{the} increase of establishment and of the construction of quarters for guards for future consideration. (Vide Govt. Proceedings No. 726 dated the 25th November 1902)

The Inspector General states that the

accommodation² in question was Completed⁽²⁾
and handed over by the D. P. W., but
has not been utilized for want of
sufficient no of guards. He therefore
requests that sanction may be accorded
to

(1) the increase of the guarding
establishment at an increased cost of
'Rs 64 per mensem; and

(2) the construction of quarters for
the guards near the Lock up building,
as no accommodation is available for
those not connected with the Mining
industry. This was estimated to cost
Rs 4966 (Vide enclosure to letter No 687 dated

In November 1902, the construction of a new Lock-up at the Kolar Gold Field at a cost of Rs 4345 was sanctioned and the building has been completed and is now ready for occupation. Two other questions, one of increasing the warder establishment at a monthly cost of Rs 78, and the other of constructing quarters for the warders and the Jailor at a cost of Rs 4,966/- were reserved for future consideration. The Inspector General of Prisons and the Deputy Commissioner of Kolar now say that an addition to the guards at a cost of Rs 64/- per month is absolutely necessary and that as no houses can be found on the Gold Field for any but those connected with Mining, the construction of the proposed quarters also may be ordered. These proposals to which the Councillors are agreeable may be sanctioned. The Chief Engineer will be asked to find, if possible, a saving of Rs 4,966/- for the quarters required from the budget of the next official year. The monthly increase of Rs 64/- will be an addition to the Jail Budget.

Offg. Inspector General of Prisons in Mysore,

To

L. Anantaswami Rao Esqr., B.A.

Offg. Secretary to the Government of

His Highness the Maharaja of Mysore,

Genl. and Rev. Deptts., Bangalore.

(Through the Comptroller in Mysore)

Sir,

Adverting to Government Proceedings No. J. 726 dated 25th November 1902, sanctioning the construction of a separate building for the convicts at the Kolar Gold Fields Lock-up, I have the honor to forward in original (to be obligingly returned* when no longer required) letter No. 4957/4076 dated 29th April 1904, from the District Magistrate Kolar with its enclosure regarding the increasing of warder establishment of the said Lock-up and building quarters for the guards.

originals also returned.)

2. Government, while sanctioning the additional accommodation to the Gold Fields Lock-up, in the Proceedings quoted above, had reserved for their future consideration the question of increase of establishment and building warders' quarters.

3. It will now be observed from the District Magistrate's letter that the accommodation in question, had been completed and handed over by the D.P.W., but has not been utilized for want of sufficient number of guards.

4. The District Magistrate reports that on going through the correspondence on the subject, on a personal inspection of the new building and after studying the requirements on the spot, he is of opinion that with a view to enforce

proper

proper watch over the criminals to be confined in the new Lock-up building with increased accommodation, a proportionate increase in the guarding establishment is absolutely necessary and forwards a proposition statement in support thereof which is submitted with certain modification; from which it will be observed that there is an increase of Rs.64/- per mensem over the present scale and this sum of Rs.64/- includes Rs.14/- being the allowance payable to officials of the Kolar Gold Fields Lock-up as regulated in the Government Order No.F1.2116-58 dated 9th June 1903.

5. The total increase of Rs.64/- in all I hope will not be deemed excessive. The proposals of the District Magistrate seem to me sound and by no means extravagant.

6. I may add here that accommodation in the Gold Fields is reported to be not available for those who are not connected with the mining industry. The District Magistrate therefore urges the desirability of having a warders' line not far from the Lock-up, both in the interests of the public servants concerned and for the efficient performance of the Lock-up duties devolving on them.

7. The present practice of invariably keeping under-trial prisoners in Police custody in the Gold Fields is objectionable and should be put a stop to. All under-trials will hereafter be transferred to the regular Lock-up. Necessary instruction on the subject will issue in due course.

8. Concurring in the views expressed by the District Magistrate, I have the honor to request that you will be so good as to obtain early sanction of Government for the proposed increase in the Warder establishment and building quarters for the guards. Necessary instructions may at the same time be kindly issued to the D.P.M., to put the work on hand as early as practicable.

I have the honor to be,
Sir,
Your most obedient servant,

V.D.,
Lt.-Colonel I.I.S.,
Offr. Insrector General of Prisons.
